

VIVA

DARK CHOCOLATE

VIVA combines the healthy virtues of cocoa with cold-pressed hempseed oil rich in Vitamin E and Omega-3 fatty acid having strong antioxidant and anti-inflammatory properties in a 100g bar of dark premium Swiss chocolate in three flavour references : Dark Plain, Orange & Ginger, Moringa & Mint.

Essential fatty acids are nutrients that are not produced by the body but obtained through nutrition or taking food supplements. Hempseed oil helps in the reduction of triglycerides and the regulation of cholesterol levels in blood thanks to Omega-3 fatty acid, improves joint function, skin health and counteracts menstrual cycle disorders. VIVA contributes 10% of the daily requirements in Omega-3.

The cocoa level is 60% and the cocoa beans are sustainably sourced. VIVA is Vegan, Gluten free, Dairy free, Non-GMO, Kosher, Halal.
